JMA is published twice in a year, in July and December. Editor receives original research papers and critical survey articles in all area of mathematics. In preparing the manuscript, please follow the author guideline (attached on the back cover).

## GUIDELINES FOR AUTHORS

**JMA** is published twice in a year, in July and December and managed by Department of Mathematics, Institut Pertanian Bogor. Editor receives original research papers and critical survey articles in all area of mathematics. Article can be written in English or Indonesian. Article will be reviewed by editor using some criteria. Those are *originality, significancy, technical strength, written presentation, and relevance to the journal*. Author will be given for revising based on recommendation from reviewer/editorial boards. Manuscript could be submitted to:

**Department of Mathematics**  
**FMIPA – Institut Pertanian Bogor**  
**Jalan Meranti, Kampus IPB Dramaga Bogor**  
**Phone/Fax: (0251) 8625276**  
**Email: math@ipb.ac.id, jma.mathipb@gmail.com**

Article is written using microsoft word, A4 paper, one column, Times New Roman font (14 size for title and 12 size for body text), single spacing. Upper/bottom/right margin is 3 cm and left margin is 4 cm (mirrored margin). No more than 20 pages.

*Abstract* is written in English or Indonesian, no more than 250 words. Keywords: 3-5 words.

*Acknowledgment* is written at the end of the paper before references.

*References* should be listed in alphabetical order according to the surnames of the authors at the end of the paper. The following reference style should be used:

- [1] Brown RL. 1997. *Introduction to the Mathematics of Demography*. 3<sup>rd</sup> Ed. Winsted: Actec Publications.
- [2] Guritman S, Hooweg F, Simonis J. 2001. The Degree of Functions and Weights in Linear Codes. *Discrete Applied Mathematics*. 111(1): 87-102.
